MEMBER POLICY #13

SUBJECT: ACCESS TO MEMBER'S PREMISES AND BOWIE-CASS ELECTRIC COOPERATIVE EQUIPMENT

Each member agrees, by signing of application for membership or by receiving electric service, to allow the Cooperative and its agents access to the member's property. Admission to the property shall be for the purpose of installing, reading, inspecting, repairing any meter or device owned by the Cooperative, or for the purpose of removing property owned by the Cooperative. This will also allow employees and contractors access to the property for vegetation management and dead tree cutting.

The Cooperative's meters and devices must be readily accessible such that no enclosures, rooms, or structures are installed which would prevent access by the Cooperative's agent.

Failure to comply with this policy can result in disconnecting the electric service and cancellation of membership.
